

Match Report:

Bruern Abbey vs St John's Priory

On Wednesday 23rd September the year 6 boys along with Toby (year 4) and Abdulla (year 5) played an away match at Bruern Abbey. The final score was 4-2 to St John's Priory (SJP). The first SJP goal was by Felix, he broke free from the Bruern defence, fooling the keeper to go left and scoring in the right of the goal. The second goal was by Jacob. Fred ran up the wing as quick as he could and crossed it in to Jacob who scored. The third goal was by Cian, he was just over the half way line and he walloped the ball as hard as he could straight in to the net (fantastic goal) Mr Tubb was very impressed! The fourth goal was scored by Jacob he ran up the pitch and scored top right corner. Fred played really well, always producing good crosses in to the box. Cian played well defending and then turning it in to an attack. Ollie had a good game in goal saving a really hard free kick. Toby and Abdulla played really well for their first competitive school match and hopefully we can have some more Year 5 and 4 playing in future matches.
