

Match Report:

St John's Priory V Christchurch School

On Thursday the 4th of May, SJP went to play Christchurch school in a cricket match. After winning the toss we elected to bowl. We saw some great bowling from Cian, Freddie, Max, Barney and Felix.

We were helped at the start where Barney bowled a great ball to trick the batsman and went on to hit the wickets, then a few more came from Max and Freddie by bowling the batsman out.

Some great bowling came from Cian and Felix, who both put the batsman under pressure, so that the ball went to the fielders. Fergus, Roman, Vishnu and Benjamin did some sharp fielding and Jacob, who caught a tricky catch and courageously dived for the wickets to get the batsman out.

In the end Christchurch got a respectable score of fifty-eight. It was then our turn to bat. Benjamin opened the batting and got us underway with a couple of great shots to trick the fielders and then Cian and Max (with some great team work) built up a strong score with great cricket. Then Felix came into bat with Cian and finished it off for SJP by hitting some superb shots and good team work which closed the game out, with SJP winning the game comfortably!

What a great day and many thanks to Mr Tubb for sorting the fixture out and some great coaching to lead us to victory

Well done St John's Priory!
