

Match Report – Under 10s – Grove

We had a great afternoon playing football against Grove. We lost our match 4 – 2. The team played amazingly with both the goals scored by Jacob. Grove was a team really into football and most of their players were in leagues like the F.A. They had a very skilled player that made the team as good as they were. The centres Ollie and Jacob had to keep an eye on him. Usman made a few amazing saves even though he got injured. The whole team played brilliantly in the second half and if it was the same in the first half then we would have had a chance of winning. Well done to the team and thanks to Mr. Tubb for great coaching.
