

Match Report:

Sibford vs St John's Priory

On the 10th of November SJP played a rugby match against Sibford School. The game commenced with a drop kick and as soon as the ball left Cian's boot, flying into the air, the tension started to mount. SJP started brilliantly with Ollie winning us our first ruck. Max floated the ball out to Cian who swung it down the line to Fergus, then Fred, then Seb. Finally the ball reached Felix, who, eyed the corner of the try line and with a great amount of strength, stretched and scored the first try of the match. Cian managed to convert it. Then just like a younger brother wanting to get into the action, Jacob had the ball passed out of the ruck by Fred. Jacob latched onto the pass and out pacing all the other players, scored in the corner. Finally, to wrap up the half, Cian dummied a pass to Felix and ran in to score.

In the second half we were hungry for more tries. Jacob managed to gallop over the line scoring two tries and Felix crept over for another two.

Cian converted 3 out of 3, Max converted 2 out of 3 and Jacob managed to slip one between the sticks, cleanly landing on his bottom in the process! Although we scored a lot of tries, there was no doubt that we won the match through our tackling; thanks to Ollie for leading the way. It was a great game; everyone played their part. The final score was 49-0 to SJP. Thank you to Mr. Tubb for great coaching.
