

Match Report:

Sibford V St John's Priory

On Tuesday 6th October, SJP played a rugby match against Sibford School. Like many other games we have played this term, we started brilliantly with Max taking a penalty quickly and catching Sibford sleeping to score in the corner.

Sadly, Cian couldn't convert the try. However, SJP set up attack and eventually we scored again. Cian swung a long pass out wide to Max who popped it to Felix, who then bulldozed over the line. Soon after that, the tries kept coming with Cian dummied a pass to Felix and scoring; another by a flat ball from Max to Ollie who skipped through the Sibford defence; one with Felix, when he ran down the wing and lunged over the try line with three people on his back and unforgettably, Jacob running and scoring another two great tries in that half. Our defence was awesome and even though we scored so many tries, the best part was playing in torrential downpour!

Second half:

In the second half Sibford made a come-back and scored two tries in the first minutes. After that, the game was stop start and scrum after scrum until Felix sparked things up by winning the ball back off the ruck, thanks to Ollie. Ollie then passed to Cian who flicked it off to Max who subsequently offloaded to Felix resulting in a try in the corner. He then scored one more try later in the second half to wrap up a very convincing 66-12 win to SJP. We thank all the support from the parents at the game and another thank you to Mr. Tubb for great coaching.
