Welcome to Little Conkers

Early Years Learning

Children in our Little Conkers Nursery and Reception class get a head start in developing their creative, intellectual and social skills in a warm and comforting environment. The reassurance of high quality wrap around care offers a secure and happy atmosphere that our children refer to as 'the next best place to home.'

A great start for your child

From the outset, children benefit from learning French and Spanish, Music and Drama, all taught by specialist teachers. Lessons are interactive and focus on learning through enjoyable experiences. As a result, our youngest pupils regularly exceed expectations and achieve excellent outcomes.

The next BEST place to home:

Our children flourish under the personalised care and attention of our specialist teachers; enjoying happy playtimes and organic lunches with their friends. In addition to our charming, historic building, our children enjoy continuous provision on our fabulous lawn, mud kitchen and gardens.

LITERACY: Developing a life long love of reading and writing

High quality phonics teaching and interactive approaches that ignite their interest, ensure that our children are learning through play to develop a life long love of reading and writing.

MATHEMATICS:
Developing curiosity

Experiential learning and practical activities develop a deep understanding of number and mathematical concepts. Our children enjoy experiencing number through their play and in their class activities.

Nursery Funding Available

We accept 15 and 30 hours government funding in our Little Conkers Nursery. Unlike in other nurseries, families eligible for 30 hours can use their funding flexibly across the week; affording working parents more choice with their childcare. Limited places available.

EXPRESSIVE ARTS & DESIGN:
Magical Adventures

Specialist practitioners deliver weekly opportunities in music, dance, drama and the arts for our Little Conkers Nursery & Reception children; developing creativity and confidence from the very beginning.

**UNDERSTANDING OF
THE WORLD:** Outdoor Learning

Weekly outdoor learning sessions for our Reception children in local woodland support our children's experiences of the world around them. Frequent trips and visitors enhance a broad and balanced curriculum.
